This change unconstitutionally restricts the travel of the transgender people who live in this country. I am not Christian, I do not believe there is anything wrong with transgender people. I refuse to have Christian fundamentalist ideology forced upon myself and the people in my community.

What this change does, in addition to WASTING valuable tax dollars, is forces trans people to undergo scrutiny when showing their passport. A trans man with a beard who has F listed on his passport is going to undergo needless scrutiny and gender-based discrimination at the airport. It is a constitutional right for people to travel and self-express. Let people change their passports to match the gender to which they identify. Stop forcing your beliefs down people's throats. Holding up their passport renewal restricts freedom of travel. Trans people are not harming anyone, and it is genocidal to prevent them from freely coming and going from this country.

This is a NON-ISSUE created to instill fear and distract people from real issues and you know it.
