The proposed changes to passport amendment procedure proposed under the "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government" effort are discriminatory and do not reflect the biological reality of intersex and transgender people. There is no reason to make these changes other than to attack a minority group. There is no extremism present in "gender ideology" (whatever that is). There is only extremism in the hearts of those who would seek to bring harm to the least among us. Do not allow these rule changes.
