I would urge anyone with power in this matter to uphold the right of all citizens, trans citizens included, to be fully represented in government documentation. E.O. 14168, "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government" is unconstitutional, offensive, and unfairly targets trans folks. Crimes against women are perpetuated largely by men, and as a woman, an educator, and human being, biological truth is not something that women need to be defended from. This is one of many attempts to dehumanize those who disagree with the current administration—not only disagree, but those who the current administration see as a danger to their limited vision of the future. This action will cause harm, as trans folks are already at much higher risk of physical violence, let alone other
