Trans rights are human rights. Trans people should absolutely be allowed to fully express themselves and not be confined to something they are not. Furthermore, declaring there only being two sexes/genders completely erases identities of intersex people. There are already court rulings surrounding this clearly in favor of more inclusive gender options (see: State by the U.S. District Court for the District of Colorado in the Zzyym v. Blinken case (formerly Zzyym v. Pompeo, Zzyym v. Tillerson, and Zzyym v. Kerry))
