Hello. I am in opposition to any changes in regards to the "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government" executive order. These new rules are also in violation of the cases violation of the injunction put on State by the U.S. District Court for the District of Colorado in the Zzyym v. Blinken case (formerly Zzyym v. Pompeo, Zzyym v. Tillerson, and Zzyym v. Kerry).

It is not the roll of the government to dictate individuals bodies and own method of self-identifying. No one is actively harmed by some one identifying by a gender they weren't assigned at birth, despite wild claims to the contrary. Trans rights are human rights.

Thank you,
