I disagree with the changing gender to sex on passport forms per the "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government" executive order, and with limiting the response to M or F. Intersex people exist as a biological truth. Regardless, these updates are also in violation of the injunction put on State by the U.S. District Court for the District of Colorado in the Zzyym v. Blinken case (formerly Zzyym v. Pompeo, Zzyym v. Tillerson, and Zzyym v. Kerry).
