Specifically pertaining to attempt to comply with E.O. 14168, "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government," there is no justifiable reason to change gender to sex. The current gender tag with M, F, X are suitable. Further, in this effort to erase trans people from society, this is overlooking the intersex community, and with this the proposed changes are in violation of the injunction put on State by the U.S. District Court for the District of Colorado in the Zzyym v. Blinken case (formerly Zzyym v. Pompeo, Zzyym v. Tillerson, and Zzyym v. Kerry). The proposed changes provide no benefit for the citizens of the United States nor for the government of the United States.
