That the "DEFENDING WOMEN FROM GENDER IDEOLOGY EXTREMISM AND RESTORING BIOLOGICAL TRUTH TO THE FEDERAL GOVERNMENT" executive order is being carried out is a blatant miscarriage of justice for millions of Americans, who will have their agency and dignity ripped from them in blatant defiance of the truth. These proposed changes are nothing short of barbaric, and the American people will not forget those who stood by and allowed our rights to be stripped from us. The American public demands that these changes do NOT become the Department of State's official policy.
