To whomever this reaches,

I am commenting on implementing the Executive Order known as "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government", which is both wrong and illegal. For starters, multiple in fact have and can transition, as it is necessary for maintaining anything akin to proper mental health. Secondly, there are individuals who do not fall under the category of intersex, so do not meet the biology category. Not to mention this was supported by the Zzyym v. Blinken case (formerly known as Zzyym v. Pompeo, Zzyym v. Tillerson, and Zzyym v. Kerry), which means this order is illegal as per the ruling. Finally, it violates the rights of individuals to their ability to self-determine themselves and as such, prevents them from their pursuit of happiness. Ultimately, you should not go through with following the Executive Order, as it is wrong on the most fundamental levels, illegal, and immoral.
