As an American citizen, I strongly protest the changes made to this form "to comply with E.O. 14168, 'Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government.' The executive order cited has no basis in actual biology, ignores intersex individuals, and disenfranchises those whose gender identities differ from their assigned gender at birth. The Department of State should not make changes to important legal documents based on an unenforceable executive order. These forms are in violation of the injunction put on State by the U.S. District Court for the District of Colorado in the Zzyym v. Blinken case.
