Hello, please let people choose the gender that aligns with themselves

As you likely know, these forms are in violation of the injunction put on State by the U.S. District Court for the District of Colorado in the Zzyym v. Blinken case (formerly Zzyym v. Pompeo, Zzyym v. Tillerson, and Zzyym v. Kerry).

Intersex people exist, it's scientifically proven there are more than two genders/sexes that exist. The archaic two-gender outlook has already been discussed previously in court.

Please change your decision and be on the correct side of history. Intersex people will still exist long after you and I are gone.

Thank you
