Regarding: • Title of Information Collection: Application for a U.S. Passport.

- OMB Control Number: 1405-0004.
- Type of Request: Renewal of a Currently Approved Collection.
- Originating Office: Bureau of Consular Affairs, Passport Services, Office of Program Management and Operational Support (CA/PPT/S/PMO).
- Form Number: DS-11.

I am in disagreement with the change to the US Passport changes.

The notion that a person who is transgender now has to revert their gender to their biological sex at birth is unjust and just a systematic way of bullying an already marginalized group of people.

Just like the steps to make this comment.... all you are doing is making it HARDER for these individuals to be a part of society. Our transgender friends are humans that deserve the decency and dignity of any other member of American Society.

Please revoke this change and uphold the rights of those in the transgender community.
