What the hell are you thinking with gender markers and changing them WITHOUT the passport holder's permission you people already regulate enough of people's lives so get your stupid no good incompetent asses out let the people be, let them have their rights and the right to be who they are. Stop discriminating against trans people after all trans PEOPLE are PEOPLE just like you, me and the other 8 billion PEOPLE on this planet. Trans people have enough to deal with without putting up with your shit, you say it's because God demands it but God created trans people as well as all the other people. I close with a quote from the 32nd president of the United States, the great Franklin Delano Roosevelt "Human kindness has never weakened the stamina or softened the fiber of a free people. A nation does not have to be cruel to be tough." So have some kindness for your fellow humans weather they be trans, gay, lesbian, bisexual, black, white, Asian, Hispanic, white, European, American, republican, democrat, male, female, neither of the two, tall, short, average height, young, old, middle age, etc.
