Subject: TIME SENSITIVE: Census Request Urgent Approval for a Non substantive change

Good afternoon, George,

Hope your day is going well.

Please find attached the justification for a non-substantive change (NSC) request for the **Census Household Panel (CHP) Topical 13 and 14** to incorporate a reminder email for respondents and to resolve any respondent issues or questions before the **digital links expire on March 7**. Also attached for your review is the respondent language.

The **Census Bureau** is **requesting an urgent request for OMB review/approval** of this non-substantive change request (0607-1025) to ensure timely meeting mission objectives.

Please let me know if you have any questions or require additional information.

Best regards,
