For years I have asked why as I asked business owner being forced to use a govt mandate device without due and just compensation...I've gotten answers from being frustrated to crickets. The best answer I've gotten is cause government can. Why not just tell the truth and admit the government is dating mining for free. I think it's about time we the business owners not only get a fair say but options of how to run our business on a legal platform regardless if it's eld or PAPER
