Changing this renewal form from "gender" to "sex" with only two options "M" & "F" does not account for the many people born biologically intersex. Additionally, according to the language in E.O. 14168 there are many people born infertile who biologically do not align with either definition of "male" or "female" laid out. In order to allow citizens to properly comply with E.O. 14168, a third option must be available on the form for intersex or "other". Furthermore, this form is in violation of the injunction put on State by the U.S. District Court for the District of Colorado in the Zzyym v. Blinken case (formerly Zzyym v. Pompeo, Zzyym v. Tillerson, and Zzyym v. Kerry).
