Please reject this policy change. Trump's attempt to deny that trans, intersex, and nonbinary people exist, and denying them equal rights and treatment under the law is unacceptable.

We all need accurate and consistent identity documents that reflect who we are. That's what IDs are for. These documents allow us to travel, start new jobs, open bank accounts, and enroll in school. it is a waste of government time and resources to require State Department employees to research birth gender info - I thought we were trying to be efficient here.
