The changes to this process do not reflect the reality of gender, gender identity, and the biological truth that there are more than two genders. These forms are in violation of the injunction put on State by the U.S. District Court for the District of Colorado in the Zzyym v. Blinken case (formerly Zzyym v. Pompeo, Zzyym v. Tillerson, and Zzyym v. Kerry).

These changes serve no practical purpose to the government and exist solely to discriminate against transgender and nonbinary applicants.
