I am asking you to please reject this policy change: President Trump issued an executive order attempting to deny that trans and intersex people exist and denying them equal rights and treatment under the law. I do not support this type of discrimination in my country. Please prevent this policy change.

I think, every U.S. citizen, including transgender people, deserves a U.S. passport, that reflects who they are. This document allows people to travel, start new jobs, open bank accounts, vote, and enroll in school.

We rely on our federal government to be thoughtful, well-reasoned, and fair to all Americans, yet this new policy provides no thought, reason, or fairness. Instead, it targets a small population of the United States and denies them identification documents they need to safely travel and go about their lives.

Dear State Department representatives, I urge you to reject this policy change – do not take away the rights of trans and intersex citizens to obtain a passport that reflects who they are, a right they had in the United States for over 30 years.

Thank You.
