

## **Draft Registration Text for the 2025 ACS Data Users Conference**

Join us for the 2025 ACS Data Users Conference where we bring a community of data users and U.S. Census Bureau staff together to share information and learn about key ACS developments and research. A Preliminary Conference Program is available on the ACS Online Community website.

### **Privacy Act information:**

Privacy Act Statement: The collection of your personal information for the 2025 ACS Data Users Conference Registration form is authorized under 5 U.S.C. 301 and 44 U.S.C. § 3101 and is collected by the Population Reference Bureau on behalf of the Census Bureau. The purpose of gathering this information is to collect registration information for this U.S. Census Bureau-sponsored conference. Personally identifiable information such as name, organization, phone number, and email address may be collected. Your name and organizational affiliation information may be included on the conference attendee list with your permission. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. § 552a) to be shared among Census Bureau staff and its affiliate for work-related purposes. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice COMMERCE/DEPT-23, Information Collected Electronically in Connection with Department of Commerce Activities, Events, and Programs. Providing this information is voluntary. Failure to provide this information may affect the Census Bureau's ability to register you for the conference.

The Census Bureau estimates that completing this form will take 5 minutes on average. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to [mmather@prb.org](mailto:mmather@prb.org).

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number that appears on this form confirms this approval. If this number were not displayed, the Census Bureau could not collect this information.
