In this section of the questionnaire, you will create an identification code that is unique to you but cannot be traced back to you. This ID code will be used instead of your name or other identifying information. If you participate in follow-up questionnaires, we will give you these same instructions to recreate this code so that we can link your questionnaires together without using your name or other specific personal information. Please take care to answer each question accurately.

Please respond to the items below:

XX.1 Enter the 1st and 2nd letter of your mother's (or primary maternal figure's) first name.
