Census - General

Good morning. See attached for the updated FRN. I fixed the typo in the first paragraph. Also, we don't use any forms for this collection. The collection is primarily self-response, with telephone center follow-up. A small proportion of respondents complete the survey via the telephone center, which uses the same online instrument as the self-response instrument.

Let me know if there are any additional questions.

Thanks,

[REDACTED]
