

Thank you for taking the time to complete this **anonymous five-question** survey. The goal of this survey is to gauge sentiments around the recent Nursing Homes transition to iQIES, and to understand areas of concerns so that we can better address them in the coming months.

For each of the five questions below, please **rate your experience** on a scale of 1–5, with one being very negative, and five being very positive.

With sincere gratitude,
The iQIES Team
