I am writing to submit my comment expressing agreement with the regulations posted for the American Relief Act 2025 Disaster Supplemental Funds for Child Care. My name is Rachel Shelton and I represent the Western North Carolina Early Childhood Coalition. At this point after Tropical Storm Helene, the child care sector in my community especially needs funds to address concerns outlined in items #3-6. These include child care supply building, mental health consultation or services, quality improvement activities, and direct supports for eligible children.
