Comment:

Thank you for the opportunity to provide feedback. As the representative of a nonprofit organization serving caregivers and individuals with unique needs, I respectfully submit this comment to be considered as part of the Treasury Department's public review process.

We urge the Department to continue developing policies that support and protect nonprofit organizations like ours, which are vital to communities across the country. Specifically, increased funding access, tax relief, and streamlined compliance measures would greatly enhance our ability to serve vulnerable populations.

We appreciate your commitment to transparency and public input, and we look forward to the continued

development of thoughtful, inclusive policies that uplift grassroots organizations.

Respectfully,
Dastha Crews
