

Purpose: A sample of GIPA participants that did not complete the online survey will be contacted by telephone and asked the following modified set of questions to collect data from them.

Introduction to be read by interviewer:

Hello, my name is *(insert interviewer's first name)* and I am working with the Federal Consulting Group (FCG) which is a part of the US Department of Interior. FCG provides consulting services to other Federal agencies.

FCG was asked by the Office of Intellectual Property Protection and Enforcement to help with the measurement and analysis needs of the Global Intellectual Property Academy (GIPA). There are several parts to this study, one of which is the deployment of an online survey to GIPA alumni on their experiences and satisfaction with the program. The survey was deployed on *(insert date)*. As of today we have not received a completed survey from you so I am following up by telephone today to ask you a few questions. Are you willing to remain on the phone with me for an additional 10-15 minutes to answer some questions concerning your experience with GIPA?

If no- I understand and respect your time. Do you mind telling me why you are unwilling to participate?

If yes- Thank you. I really appreciate your time and your willingness to provide feedback. **Proceed with questions below.**

1. First off, can you please tell me whether or not you received the GIPA survey via e-mail that was deployed on *(insert date)*? Yes/ No
2. If no, can you please give me your e-mail address so we can check to make sure we have the correct one?
3. If yes, can you please tell me why you did not respond to the survey? **(note to interviewer: please check all that apply)**
 - a. I was too busy at the time
 - b. It was too long
 - c. I did not think it was relevant to my experience
 - d. Other (please specify)_____

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995, unless the information collection has a valid OMB Control Number. The OMB Control Number for this information collection is 0651-0065. Public burden for this survey is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Office of the Chief Administrative Officer, United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450 or email InformationCollection@uspto.gov.
