G-325R, Biographic Information (Registration)

Before you begin Form G-325R, Biographic Information (Registration), please visit the Alien Registration Requirement page to answer some simple questions to find out if you need to register. If you are not sure whether you need to register, the tool available on this page may help you determine whether you must register. The questions in the tool are solely intended to help you determine whether you must submit Form G-325R. The tool is for informational purposes only. It is not legal advice. It is not a substitute for a consultation with an attorney or an accredited representative.

The Immigration and Nationality Act requires all aliens, with limited exceptions, to apply for registration and fingerprinting if you:

- Are 14 years old or older;
- Were not registered and fingerprinted (if required) when applying for a U.S. visa; and
- Remain in the United States for 30 days or longer for each period of stay

Parents and legal guardians of aliens under age 14 must ensure those aliens are registered. Within 30 days of reaching their 14th birthday, all previously registered aliens must apply for reregistration and fingerprinting.

After an alien registers and appears for fingerprinting (unless waived), DHS will issue evidence of registration. If you are an alien age 18 or older, you must carry and keep this evidence of registration in your personal possession at all times. If you are an unregistered alien (or previously registered alien who turns 14 years old) and you are in the United States for 30 days or longer for any period of stay, you must comply with these requirements. If you do not comply, you may face criminal and civil penalties, up to and including misdemeanor prosecution, the imposition of fines, and incarceration. Please visit the Alien Registration Requirement page for more information on registration.

What is your A-Number?

The A-Number is an immigration file number provided by U.S. immigration officials. We use your A-Number to identify your immigration records. It is a 7 to 9-digit number that begins with an "A" and can be found on correspondence or cards you have received from DHS, USCIS, or on immigration court records (for example, Form I-797, Receipt Notice; an Employment Authorization Document; a Permanent Resident Card). If you do not have an A-Number, USCIS may assign one to you.

I do not have or know my A-Number.

A-

Provide a 7, 8, or 9-digit number. If the A-Number is fewer than 9 digits, the system will automatically add zero(s) after the "A" and before the first digit so there is a total of 9 digits, for example: A-001234567.

What is your U.S. Social Security number (SSN)?

I do not have or know my U.S. Social Security number. Provide a 9-digit Social Security number.

What is your USCIS Online Account Number?

You will only have an Online Account Number, or OAN, if you previously filed a form that has a receipt number that begins with IOE. If you filed the form online, you can find your OAN in your account profile. If you mailed us the form, you can find your OAN at the top of the Account Access Notice we sent you.

If you do not have a receipt number that begins with IOE, you do not have an OAN.
