Federal Emergency Management Agency

Agency Information Collection Activities: Proposed Collection, Comment Request; National Flood Insurance Program—Ask the Advocate Web Form

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 60-Day notice of revision and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on a revision of a currently approved information collection. In accordance with the requirements of the Paperwork Reduction Act of 1995, this notice seeks comments concerning the Office of the Flood Insurance Advocate's (OFIA) Ask the Advocate web form and the removal of two instruments that are no longer needed.

DATES: Comments must be submitted on or before August 5, 2025.

ADDRESSES: To avoid duplicate submissions to the docket, please submit comments at <http://www.regulations.gov> under Docket ID FEMA-2025-0013. Follow the instructions for submitting comments.

All submissions received must include the Agency name and Docket ID. Regardless of the method used to submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to read the Privacy and Security Notice that is available via a link on the homepage of <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: Joe Cecil, Advocate Representative Team Lead, Office of the Flood Insurance

Advocate, National Flood Insurance Program, Federal Emergency Management Agency, at (202) 701-3465 or Joseph.Cecil@fema.dhs.gov. You may contact the Information Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: Section 24 of the Homeowner Flood Insurance Affordability Act of 2014 (Pub. L. 113-89, codified at 42 U.S.C. 4033), requires FEMA to designate a Flood Insurance Advocate that would advocate for the fair treatment of National Flood Insurance Program (NFIP) policyholders and property owners by: (1) providing education and guidance on all aspects of the NFIP, (2) identifying trends affecting the public, and (3) making recommendations for NFIP program improvements to FEMA leadership. Pursuant to this authority, FEMA established the OFIA on December 22, 2014.

Members of the public regularly contact OFIA seeking assistance on the NFIP. OFIA seeks to facilitate the timely and effective management of these inquiries by using a web form on OFIA's web page at <https://www.fema.gov/flood-insurance/advocate>. The web form allows users to provide information that includes all the data necessary for OFIA to perform its Congressionally-mandated duties and responsibilities.

The Federal Insurance Directorate determined the Mortgage Portfolio Protection Program (MPPP) form is no longer necessary due to the implementation of Risk Rating 2.0 and therefore will not be renewed under this effort. This revision removes both the Financial Assistance/Subsidy Arrangement Notice of Acceptance and MPPP Agreement Receipt for Materials instruments from this information collection, as they are no longer needed. This revision also corrects a technical error within ROCIS that inflates the burden imposed by the remaining FEMA Form FF-206-FY-21-121, Ask the Advocate Web Form.

Termination of the Designation of Nepal for Temporary Protected Status

AGENCY: U.S. Citizenship and Immigration Services, U.S. Department of Homeland Security.

ACTION: Notice.

SUMMARY: Through this notice, the Department of Homeland Security (DHS) announces that the Secretary of Homeland Security (Secretary) is terminating the designation of Nepal for Temporary Protected Status (TPS). The designation of Nepal is set to expire on June 24, 2025. The Secretary therefore is terminating the TPS designation of Nepal as required by statute. This termination is effective August 5, 2025. After August 5, 2025, nationals of Nepal (and aliens having no nationality who last habitually resided in Nepal) who have been granted TPS under Nepal's designation will no longer have TPS.

DATES: The designation of Nepal for TPS is terminated effective at 11:59 p.m., local time, on August 5, 2025.

What is Temporary Protected Status (TPS)?

The Immigration and Nationality Act (INA) authorizes the Secretary of

Homeland Security, after consultation with appropriate agencies of the U.S. Government, to designate a foreign state (or part thereof) for TPS if the Secretary determines that certain country conditions exist. See INA sec. 244(b)(1), 8 U.S.C. 1254a(b)(1). The determination whether to designate any foreign state (or part thereof) for TPS is discretionary, and there is no judicial review of "any determination of the [Secretary] with respect to the designation, or termination or extension of a designation, of a foreign state" for TPS. INA sec. 244(b)(5)(A), 8 U.S.C. 1254a(b)(5)(A). If the Secretary designates a country for TPS, she may then grant TPS, in her discretion, to eligible nationals of that foreign state (or aliens having no nationality who last habitually resided in the designated foreign state). See INA sec. 244(a)(1)(A), 8 U.S.C. 1254a(a)(1)(A).

At least 60 days before the expiration of a foreign state's TPS designation or extension, the Secretary, after consultation with appropriate U.S. Government agencies, must review the conditions in the foreign state designated for TPS to determine whether they continue to meet the conditions for the TPS designation. See INA sec. 244(b)(3)(A), 8 U.S.C. 1254a(b)(3)(A). If the Secretary determines that the conditions in the foreign state continue to meet the specific statutory criteria for TPS designation, TPS will be extended for an additional period of 6 months or, in the Secretary's discretion, 12 or 18 months. See INA sec. 244(b)(3)(A), (C), 8 U.S.C. 1254a(b)(3)(A), (C). If the Secretary determines that the foreign state no longer meets the conditions for TPS designation, the Secretary must terminate the designation. See INA sec. 244(b)(3)(B), 8 U.S.C. 1254a(b)(3)(B).

TPS is a temporary immigration benefit granted to eligible nationals of a country designated for TPS under the INA, or to eligible aliens without nationality who last habitually resided in the designated country. During the TPS designation period, TPS beneficiaries are eligible to remain in the United States, may not be removed, and are authorized to work and obtain an Employment Authorization Document (EAD) so long as they continue to meet the requirements of TPS. TPS beneficiaries may also apply for and be granted travel authorization as a matter of discretion. The granting of TPS does not result in or lead to lawful permanent resident status or any other immigration status. To qualify for TPS, beneficiaries must meet the eligibility standards at INA section 244(c)(2), 8 U.S.C. 1254a(c)(2) in
