2025-1902-003 Docket IC 25-9-00 FERC-6 and FERC-6Q

This current contract is noncompliant, and should be reviewed due to an extension of a modified contract identifying number for each contract referenced.

The terms of the ICA are needed to execute the statutory responsibilities and is also subject to public health and safety conditions. This agreement is very important to ensure the several Federal requirements are met and that all applicable matters at hand will be addressed timely.
