

the point that they are outweighed by investor protection issues that would be resolved by approving this proposal.

The Exchange believes that the proposal is, in particular, designed to protect investors and the public interest. The investor protection issues for U.S. investors has grown significantly over the last several years. As discussed throughout, this growth investor protection concerns need to be re-evaluated and rebalanced with the prevention of fraudulent and manipulative acts and practices concerns that previous disapproval orders have relied upon.

For the above reasons, the Exchange believes that the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The Exchange notes that the proposed rule change, rather will facilitate the listing and trading of an additional exchange-traded product that will enhance competition among both market participants and listing venues, to the benefit of investors and the marketplace.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

A. by order approve or disapprove such proposed rule change, or

B. institute proceedings to determine whether the proposed rule change should be disapproved.

SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0131]

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Extension: Rule 17a-7

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission

("Commission") is submitting to the Office of Management and Budget ("OMB") this request for extension of the proposed collection of information provided for in Rule 17a-7 under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17a-7 requires a non-resident broker-dealer (generally, a broker-dealer with its principal place of business in a place not subject to the jurisdiction of the United States) registered or applying for registration pursuant to Section 15 of the Exchange Act to maintain—in the United States—complete and current copies of books and records required to be maintained under any rule adopted under the Exchange Act and furnish to the Commission a written notice specifying the address where the copies are located. Alternatively, Rule 17a-7 provides that non-resident broker-dealers may file with the Commission a written undertaking to furnish the requisite books and records to the Commission upon demand within 14 days of the demand.

The Commission estimates that there are approximately 53 non-resident broker-dealers. Based on the Commission's experience, the Commission estimates that the average amount of time necessary to comply with Rule 17a-7 is one hour per year per respondent. Accordingly, the Commission estimates that the total industry-wide reporting burden is approximately 53 hours per year. Assuming an average cost per hour of approximately \$344 for a compliance manager, the total internal cost of compliance for the respondents is approximately \$18,232 per year.¹

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have practical utility; (b) the accuracy of the Commission's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–103772; File No. SR–CboeBZX–2025–069]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Order Instituting Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change To List and Trade Shares of the Canary Staked TRX ETF Under BZX Rule 14.11(e)(4), Commodity-Based Trust Shares

August 25, 2025.

I. Introduction

On May 12, 2025, Cboe BZX Exchange, Inc. (“BZX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b–4 thereunder,² a proposed rule change to list and trade shares (“Shares”) of the Canary Staked TRX ETF (“Trust”) under BZX Rule 14.11(e)(4), Commodity-Based Trust Shares. The proposed rule change was published for comment in the **Federal Register** on May 29, 2025.³

On July 9, 2025, pursuant to Section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁵ This order institutes

proceedings under Section 19(b)(2)(B) of the Act⁶ to determine whether to approve or disapprove the proposed rule change.

II. Summary of the Proposal

As described in more detail in the Notice,⁷ the Exchange proposes to list and trade the Shares of the Trust under BZX Rule 14.11(e)(4), which governs the listing and trading of Commodity-Based Trust Shares on the Exchange.

The investment objective of the Trust is to seek to track the performance of TRX,⁸ as measured by the CoinDesk TRX USD CCIX 60 min NY Rate (“Pricing Benchmark”), adjusted for the Trust’s expenses and other liabilities.⁹ In seeking to achieve its investment objective, the Trust will hold TRX and will value its Shares daily as of 4:00 p.m. ET using the same methodology used to calculate the Pricing Benchmark.¹⁰ The Trust’s assets will only consist of TRX, cash, and cash equivalents.¹¹ When the Trust sells or redeems its Shares, it will do so in cash transactions with authorized participants in blocks of 10,000 Shares.¹² The Sponsor may stake, or cause to be staked, all or a portion of the Trust’s TRX through one or more trusted staking providers and, in consideration for any staking activity in which the Trust may engage, the Trust would receive all or a portion of the staking rewards generated through staking activities.¹³

III. Proceedings To Determine Whether To Approve or Disapprove SR–CboeBZX–2025–069 and Grounds for Disapproval Under Consideration

The Commission is instituting proceedings pursuant to Section 19(b)(2)(B) of the Act¹⁴ to determine whether the proposed rule change should be approved or disapproved. Institution of proceedings is appropriate at this time in view of the legal and policy issues raised by the proposed

rule change. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to any of the issues involved. Rather, the Commission seeks and encourages interested persons to provide comments on the proposed rule change.

Pursuant to Section 19(b)(2)(B) of the Act,¹⁵ the Commission is providing notice of the grounds for disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis of the proposed rule change’s consistency with Section 6(b)(5) of the Act, which requires, among other things, that the rules of a national securities exchange be “designed to prevent fraudulent and manipulative acts and practices” and “to protect investors and the public interest.”¹⁶

The Commission asks that commenters address the sufficiency of the Exchange’s statements in support of the proposal, which are set forth in the Notice, in addition to any other comments they may wish to submit about the proposed rule change. In particular, the Commission seeks comment on whether the proposal to list and trade Shares of the Trust, which would hold TRX, is designed to prevent fraudulent and manipulative acts and practices or raises any new or novel concerns not previously contemplated by the Commission.

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposal is consistent with Section 6(b)(5) or any other provision of the Act, and the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b–4, any request for an opportunity to make an oral presentation.¹⁷
