General Comment

I have been assaulted and need to apply for this for my sons kidney problem and they have not contacted me in regards to my application I submitted in 2020 (fraud) I'm assuming. It was submitted through the social security office. Also they are not responding to my application for my sons autism it also was submitted in 2020. Stop assaulting woman , and children. My Son lost his bank account because of the hate organizations from Minnesota and he's on disability or so it seems something was signed that said irreparable harm and enough is enough. At least this was a recent order that's has un excusable rules.

Your system interruption does allow me to show u but it's in the adoption part sad
