Re: Notice  
Agency Information Collection Activities; Proposed eCollection eComments Requested;  
Revision of a Previously Approved Collection; NFA Responsible Person Questionnaire,  
ATF Form 5320.23  
Docket No. 2025-15507  
OMB 1140-0107

Dear Mr. Arceo:

NSSF is the trade association for America's firearm, ammunition, hunting and recreational shooting sports industry. On behalf of our over 10,000 member companies, we offer the following comments on the Department of Justice's ("DOJ") Notice "Agency Information Collection Activities; Proposed eCollection eComments Requested; Revision of a Previously Approved Collection; NFA Responsible Person Questionnaire, ATF Form 5320.23," published on August 15, 2025 (the "[Notice](#)").

NSSF appreciates the opportunity to provide feedback on behalf of our industry on the DOJ's Notice to revise and optimize ATF Form 5320.23. We strongly encourage and support the efforts of DOJ to streamline ATF Form 5320.23 and create opportunities for greater efficiency through eForms and electronic signature, correcting typographical/grammar items, removing specific firearm information other than the type of firearm and adding instruction for married couples jointly making, transferring, and registering a firearm.

NSSF hopes ATF will continue to review and evaluate additional policies and regulations for streamlining and improvement. NSSF looks forward to working with ATF on identifying more opportunities to improve the regulatory system for the firearm and ammunition industry while maintaining the integrity and effectiveness of ATF's law enforcement mission.

Sincerely,

A handwritten signature in cursive script, reading "Lawrence G. Keane". The signature is written in dark ink and is positioned below the word "Sincerely,".
