Dear Administrator Oz,

The American Pharmacists Association (APhA) appreciates the opportunity to provide CMS and HHS comments on the “Agency Information Collection Activities: Submission for OMB Review; Comment Request.”

APhA is the only organization advancing the entire pharmacy profession. It represents pharmacists, student pharmacists, and pharmacy technicians in all practice settings, including— but not limited to—community pharmacies, hospitals, long-term care facilities, specialty pharmacies, community health centers, physician offices, ambulatory clinics, managed care organizations, hospice settings, and government facilities. Our members strive to improve medication use, advance patient care, and enhance public health.
