**Importance:** High

Hi Hope, please see the comments below from the CalFresh Branch, regarding the FNS 292 (B) form:

- #6. In addition to cities, counties etc. How about adding the zip code information in the disaster area in this section?
- #12. Should we provide the ¼ month, ½ month, and ¾ month as benefit allotments issued? Most disaster benefits issued are usually for one-month, unless there are unusual circumstances. If this is the case, when can add a box listed as "other" ....provide explanation? Although, this may be time consuming, not sure.

Thanks in advance for your help.  
Shanee
