

**PRIVACY ACT:** The authority for collection of the requested information 38 U.S.C. 501, 38 C.F.R. 1.900 et. seq; 42 U.S.C. 2651-2653; and E.O 9397. The purpose of collecting this information is to provide basic information from which potential liability can be assessed. You do not have to provide the requested information but if any or all of the requested information is not provided, it may delay or result in denial of your request for CHAMPVA benefits. Failure to furnish the requested information will have no adverse impact on any other VA benefit to which you may be entitled. The responses you submit are considered confidential and may be disclosed outside VA only if the disclosure is authorized under the Privacy Act, including the routine uses identified in the VA system of records 54VA16, titled "Health Administration Center Civilian Health and Medical Program records - VA". For example, information on this form may be disclosed to contractors, trading partners, health care providers and other suppliers of health care services to determine your eligibility for medical benefits and payment for services. Disclosure of Social Security number(s) of those for whom benefits are claimed is requested under the authority of Title 38, U.S.C., and is voluntary. Social Security numbers will be used in the administration of veterans benefits, in the identification of veterans or persons claiming or receiving VA benefits and their records and may be used for other purposes where authorized by Title 38, U.S.C., and the Privacy Act of 1974 (5 U.S.C. 552a) or where required by other statute.

**Paperwork Reduction Act:** This information is in accordance with the clearance requirements of Section 3507 of the Paperwork Reduction Act of 1995. Public reporting burden for this collection of information is estimated to average 7 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Based on recent claim information, medical services have been received for the treatment of an injury or potential work-related illness. Because of the Federal Medical Care Recovery Act, 42 USC 2651-2653, requires the recovery of VA costs associated with such services when the injury/illness was caused or is covered by a third party, the following information is required.
