

OMB Control Number 1615-0095
Extension of an Existing Information Collection; Comment Request
Form I-290B, Notice of Appeal or Motion

TO: USCIS uscisfrcomment@dhs.gov

CC: OMB USCIS Desk Officer oira_submission@omb.eop.gov

April 18, 2012

I see little to no point in this Information Collection and especially the comment request period's 30-day extension. The anticipated AAO Rulemaking (which is now overdue) will most likely necessitate a *substantive* revision of this particular form to follow shortly thereafter. "Rubber-stamp" this form "as-is" and move on. Time would be better spent on planning for a form "revision" rather than dragging out this rather pointless "extension of an existing" form. AAO was expected to issue their NPRM in MARCH 2012 (it is late but still in the works). In that rule it is expected that a new section will be added to the controlling regulations at 8 CFR § 105.
