General Instructions for Completing the Personal Net Worth Statement for DBE/ACDBE Program Eligibility

Please do not make adjustments to your figures pursuant to U.S. DOT regulations 49 CFR Parts 23 and 26. The agency that you apply to will use the information provided on your completed Personal Net Worth Statement to determine whether you meet the economic disadvantage requirements of 49 CFR Part 26. If there are discrepancies or questions regarding your form, it may be returned to you to correct and complete again.

An individual's Personal Net Worth according to 49 CFR Part 26 includes only his or her own share of assets held separately, jointly, or as community property with the individual's spouse and excludes the following:

- Individual's ownership interest in the applicant firm;
- Individual's equity in his or her primary residence;
- Tax and interest penalties that would accrue if retirement savings or investments (e.g., pension plans, Individual Retirement Accounts, 401(k) accounts, etc.) were distributed at the present time.

Be sure to indicate whether the figures reported are jointly held.

If your personal net worth according to 49 CFR Parts 23 and 26 exceeds the \$1.32 million cap and you, individually, or you and other individuals are the majority owners of an applicant firm, the firm is not eligible for DBE or ACDBE certification. If the personal net worth of the majority owner(s) exceeds the \$1.32 million cap at any time after your firm is certified, the firm is no longer eligible for certification. Should that occur, it is your responsibility to contact your certifying agency in writing to advise that your firm no longer qualifies as a DBE or ACDBE. You must fill out all line items on the Personal Net Worth Statement. If necessary, use additional sheets of paper to report all information and details. If you have any questions about completing this form, please contact one of the UCP certifying agencies.
