Docket: CMS-2012-0089

Health Insurance Common Claims Form and Supporting Regulations at 42 CFR part 424, Subpart C (CMS-1500 (8/05))

Comment On: CMS-2012-0089-0001

Insurance Common Claims Form and Supporting Regulations at 42 CFR part 424, Subpart C (CMS-1500 (08/05))

Document: CMS-2012-0089-0003

CA

Submitter Information

Address:

CA, 94523

General Comment

Proposed changes are far too marginal and do very little to align the claim form with the 5010 electronic transaction. Proposed changes lack:-

- a uniform way to bill a tertiary insurance.
- a pay-to address.
- the ability to convey payment information at the line level.
