Submitter Information

Name: Brenda Thompson-Duchene

Address:

Brooklyn, NY,

Organization: Isabahlia Farmers Market

Government Agency Type: Local

Government Agency: National Farmers Market

General Comment

It's important to have more food demonstration at farmers market, because some people are not familiar with some vegetable and don't know how to prepare them. By having cooking demonstration the vegetable that in season it will help the community get familiar on how to cook them. The more the communities learn how to cook the different vegetable the healthier they will become.
