Please include in this Form for the provision of sons and daughters of World War II Filipino veterans who were already US citizens by virtue of Immigration Act of 1990. By our father's citizenship, my father was naturalized in 1993 but, died in 1995 without passing the benefits to us; would it be natural that we also acquire US citizenship? Bills had been fought, supported and even reached to a higher degree in the two houses. If lawmakers can not enact it, can the Obama Administration could find means so we can get our US citizenship? Thanks for the favorable consideration.
