Organization: american citizen

Government Agency Type: Federal

Government Agency: FNS

General Comment

a. shut down this program. the fat cat bureaucracy in washington dc on this program is getting huge salaries, benes, pensions which costs our taxpayers about \$70 to mail out checks for a big \$20 for senior citizens. \$20. it costs ten times that in fact cat buraucrats salareis to make out the checks. shut down this stupid program. this same agency is letting snap illegal immigrants get huge thousands of dollars and american seniors get \$20.

b. this agency is playing games and scamming the us public. they get paid very well to give out a piddling \$20 to american senior citizens. when you get that cheap, it isnt worth the bureaucracfy of giving it out. shut the entire program down and fire the bureaucrats. c. agency is scamming the public with piddling \$20.

d. there is no way to make such a stupid piddlingi giveaway make sense when it costs more to run the program than the seniors get. fns has cut any effectiveness in this program. they are taking all the money for the fat cat employees in washington dc. nothing is left for american seniors in this program.
