I think snap and the food stamp program in general are a joke. I have a friend who is 67 years old, is disabled and on social security. She gets \$17.50 a MONTH for FOOD!!! Please tell me how a person eats for \$17.50 a month. Loaf of bread, \$2.00, gallon of milk, \$3.75, peanut butter, \$2.00 med size jar, jelly \$1.50, a few bananas, \$2.00, 11b ground beef, \$3.00 plus spaghetti sauce and noodles \$3.00. Well folks that takes care of \$17.50. Now what to eat for weeks two three and four. I know people who DON'T WORK, WON'T WORK but because they have 2 or 3 or more kids they get between \$600 and \$800 dollars a month in food stamps. I work 40 hours a week and I don't eat as well as they do. If you want your food stamps and you CAN work then you need to do something. How about picking up garbage on the interstate!
