HE REFUSES TO ANSWER QUESTIONS AND SAYS I ONLY HAVE THE RIGHT TO SAY WHAT HE SAYS I CAN SAY. WHEN DID GOVT BECOME ONLY FOR GOVERNMENT AND WHAT HAPPENED TO GOVT FOR THE PEOPLE? the ;public has absolutely no knlwledge of this out of control spending by the forst service. i think all of it needs to be shut down. president obama said 3 years ago that this kind of spending needed to be put on line so the public sees where their tax dollars go. to date, this agency has failed to observe our presidents executive orders. please send me paper copies of this information to 2 glenway flemington nj 08822. i oppose this spending and this project and believe it should be shut down. i believe the money ends up in some govt employees pocket and not helping america at all. our govt has grown too big and spends our tax dollars much too negligently and wastefully and corruptly. this comment is for th epublic record. jean public
