this form should not be used. those who are deported should be mandated to stay out of the usa and nob be allowed to apply to come back in for ten or 15 years. it is clear that when they came in illegally the first time, that should keep them out foreever in my mind. i think such people are comletely unlawful and do not want to be part of a nation of laws. these sneaky leaches who sneak and invade the usa are in fact not candiates to be good citizens at all. they are used to sneaking and leaching and not used to obeying laws. they disrespect laws. i do not want any of them in the usa. they all should be deported. those who already sneaked into this country should be rounded up and deport.e.d the amercian taxpayers are tired of being forced into bankruptcy to pay for these leaching sneaks.

deport them all. and dont let them apply to come back. this is a stupid move. keep them allout. they have shown their respect for america by disrespecting its laws.
