Mr. Schaible,

Thank you for providing a copy of the draft form.

We would like to offer a couple of recommendations after reviewing the draft form. The current ATF Form 5 states the Transferee certification is not required if the transferee is a government agency. To ensure clarity in instruction, we suggest the propose form clearly state that the Transferee Certification is not required if the transferee is a government agency. Also, we recommend a field be added for an applicant internal control/reference number.

Again, thank you.

Best regards,
Debra
