Personal Resources Test

SBA may not provide financial assistance to an applicant able to obtain reasonable, non-federal financing, and the amount of any SBA-guaranteed loan must be reduced by the amount of any <u>excess liquid assets</u> of the <u>principals</u> of the applicant.

"Principals" are sole proprietors, general partners and owners of a 20% interest (including any interest held by spouses and dependent children) in the applicant.

"<u>Liquid Assets</u>" are cash and cash equivalents, including savings accounts, CDs, marketable securities, the cash value of life insurance and similar assets. Qualified retirement accounts such as IRAs, Keogh, 529s or 401k plans are **NOT** liquid assets.

"Excess Liquid Assets"—The amount by which each principal's liquid assets (including the assets of spouses and children) exceed the amount indicated below. The SBA loan must be reduced accordingly and the excess must be injected into the project prior to any disbursement.

Exemption Formula: If the total financing package (SBA loans, owner's injection and any other financing) is:

- \$250,000 or less, the exemption is the greater of 2X total financing package or \$100,000.
- \$250,001 to \$500,000, the exemption is the greater of 1.5X total financing package or \$500,000.
