Comment

no waivers should be given at any time from regulations. this kowtowing to immigrants is beyond belief causing american citizens into bankruptcy. when an illegal immigrant is found in the usa, he or she should be picked up and deported immediately it will cost us less in the long run. each kid these sneaks bring into the usa costs american citizens 1/2 million dollars to educate plus feed and medical. we have laws on how you come here and you have to meet certain requirements. these sneaks just believe they have the right to violate our laws. they are scum and lawbreakers as far as i can see. they belong in their own countries. many of them are sheer liars, coming up with fake stories on trying to stay in here. you can't believe them for a second. this is complete civil disobedience. american citizens want these illegal immigrants out! we want them to have no special waivers at any time. i'm getting sick of the liberals, many of whom make money off these illegal immigrants and will hurt fellow americans because they make money off the illegals.
