there is no need at all for this survey. estimates can be made from the surveys taken earlier. all of these surveys cost a lot of money, effort and time and are not worth it. the census also takes surveys on workers, so that this extra survey duplicates work of the census dept. this entire project should be shut down, and the budget changed to zero. this comment is for the public record. please acknowledge receipt.  Proposed Collection, Comment Request
ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c) (2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. The Bureau of Labor Statistics (BLS) is soliciting comments concerning the proposed reinstatement of the "National Longitudinal Survey of Youth 1979."
