Re: Docket No. PHMSA-2013-0124, Notice No. 13-7

Dear Sir or Madam:

Please consider this as CHEMTREC®'s "*statement of interest to volunteer*" in the Pipeline and Hazardous Materials Safety Administration pilot program to evaluate the feasibility and effectiveness of using paperless hazardous communications systems. This request is submitted in accordance with the Federal Register Notice dated Friday, July 19, 2013 (page 43263).

CHEMTREC® is a service of the American Chemistry Council and is a recognized emergency response information service provider. Although CHEMTREC® provides services to first responders, shippers, and carriers, CHEMTREC® proposes that it be considered as a stakeholder in the "emergency responder" category of participants.

The CHEMTREC® points of contacts for this effort, should CHEMTREC® be selected as a participant, are:

Erika Palfrey
Senior Director – Technical Resources and Information Management
CHEMTREC
2900 Fairview Park Drive
Falls Church, VA 22042-4513
