Subject: PHMSA-2013-0124: Paperless Hazard Communications Pilot Program - Railroad Participation - Norfolk Southern

202-493-2251

Importance: High

James:

This is to confirm Norfolk Southern's continued interest in participating in the HMAccess Pilot.

As noted in the Federal Register, I will be sending a fax to 1-202-493-2251 indicating our willingness to participate.

Please let me know if anything additional is required.

David Schoendorfer, CHMM  
Manager Hazardous Materials  
Norfolk Southern Corp.  
1200 Peachtree St., NE  
Atlanta, GA 30309

Importance: High

James:

Please note that Norfolk Southern would like to participate in this pilot.

It is my understanding that this Email confirmation to [HMAccess@dot.gov](mailto:HMAccess@dot.gov) is all that is needed at this time.

Let me know if anything additional is required as I depart on vacation tomorrow and will have no Email/phone access until May 5.
